

FarmSafeTM Soil Conditioner

**Wets soil and improves water penetration.
Enhances soil health.
Feeds mineral nutrients and iodine.**

GENERAL INFORMATION: FarmSafe Soil Conditioner is a proprietary blend of Limonene and non-ionic surfactants enriched with mineral nutrients and iodine. It is only for use in conjunction with FarmSafe Weed Terminator and sprayed in one Weed & Soil Conditioning spray. FarmSafe Soil Conditioner wets the soil and improves water penetration. It enhances soil health, feeds mineral nutrients and iodine.

DIRECTIONS FOR USE: Half fill the spray tank with clean water and start agitation. Add FarmSafe Weed Terminator at its recommended addit ion rate to the spray tank. With agitator still running add FarmSafe Soil Conditioner at same addit ion rate as FarmSafe Weed Terminator.

Add the remaining water to the tank and mix thoroughly. Always maintain agitation during the application and use tank mix promptly. This product may be corrosive to metal parts of the sprayer. Thoroughly flush tanks, pumps and nozzles with water after use.

SAFETY DIRECTIONS: Do not spray directly on humans, pets, exposed food, food utensils, or food preparation areas. Do not mix or store in steel or galvanized tanks.

PROTECTIONS: **DO NOT** allow containers or sprays to get into drains, sewers, streams or ponds.

STORAGE AND DISPOSAL: Store in the closed, original container in a dry, cool, well-ventilated area out of direct sun light. Triple-rinse containers before disposal. Dispose of rinsate or any undiluted chemical according to state/territory legislative requirements. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not avail able, bury the empty packaging 500mm below the surface in a disposal pit specifically marked and set up

Non Treated Soil

Treated Soil

for this purpose, clear of waterways, desirable vegetation and tree roots, in compliance with relevant local, state or territory government regulations. Do not burn empty containers or product.
