Contains: Proprietary Blend of Limonene and non-ionic surfactants, enriched with mineral nutrients and iodine

1 Litre

LocalSafe™ Soil Conditioner

Wets soil and improves water penetration.
Enhances soil health.
Feeds mineral nutrients and iodine.

GENERAL INFORMATION: LocalSafe Soil Conditioner is a proprietary blend of Limonene and non-ionic surfactants enriched with mineral nutrients and iodine. It is only for use in conjunction with LocalSafe Weed Terminator and sprayed in one Weed & Soil Conditioning spray. LocalSafe Soil Conditioner wets the soil and improves water penetration. It enhances soil health, feeds mineral nutrients and iodine.

DIRECTIONS FOR USE: Half fill the spray tank with clean water and start agitation. Add LocalSafe Weed Terminator at its recommended addition rate to the spray tank. With agitator still running add LocalSafe Soil Conditioner at same addition rate as LocalSafe Weed Terminator. Add the remaining water to the tank and mix thoroughly. Always maintain agitation during the application and use tank mix promptly. This product may be corrosive to metal parts of the sprayer. Thoroughly flush tanks, pumps and nozzles with water after use.

SAFETY DIRECTIONS: Do not spray directly on humans, pets, exposed food, food utensils, or food preparation areas. Do not mix or store in steel or galvanized tanks.

PROTECTIONS: DO NOT allow containers or sprays to get into drains, sewers, streams or ponds.

STORAGE AND DISPOSAL: Store in the closed, original container in a dry, cool, well-ventilated area out of direct sunlight. Triple-rinse containers before disposal. Dispose of rinsate or any undiluted chemical according to state/territory legislative requirements. If recycling, replace cap and return clean containers to recycler or

Treated Soil

designated collection point. If not recycling, break, crush or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available, bury the empty packaging 500mm below the surface in a disposal pit specifically marked and set up for this purpose, clear of waterways, desirable vegetation and tree roots, in compliance with relevant local, state or territory government regulations. Do not burn empty containers or product.

DANGER: Causes serious eye damage. Causes skin irritation. May cause an allergic skin reaction. May be fatal if swallowed and enters airways.

PRECAUTIONARY STATEMENTS: Do not breathe vapour or spray. Wash hands and exposed skin thoroughly after handling. Wear protective gloves. Protective clothing, eye and face protection. Contaminated work clothing should not be allowed out of the workplace.

FIRST AID

If SWALLOWED: Rinse mouth. Do NOT induce vomiting.

Immediately call a POISON CENTER or PHYSICIAN.

If ON SKIN (or hair): Take off immediately all contaminated clothing.

Rinse skin with water/shower.

If IN EYES: Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing.

If INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.
