NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED

Spray to ensure complete coverage of unwanted plants to the point of run off. Optimal results are achieved when HomeSafe Ready-to-Use Weed Terminator is applied in full sun to small, actively growing plants. HomeSafe Ready-to-Use Weed Terminator works by dehydrating the plant. Results are seen as browning and wilting, usually within hours of application. To be effective, HomeSafe Ready-to-Use Weed Terminator must come into contact with the green parts of the plants. Protection of crops, native and other non-target plants.

CAUTION: DO NOT allow spray to contact or drift onto plants you do not want killed. **DO NOT** spray directly on humans, pets, exposed food, food utensils, or food preparation areas. **DO NOT** allow containers or sprays to get into drains, sewers, streams or ponds.

STORAGE & DISPOSAL: Store in the closed, original container in a dry, cool, dry place out of the reach of children and pets. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in garbage.

SAFETY DIRECTIONS: Will irritate the eyes and skin. Avoid contact with eyes and skin. When using the product wear elbow-length rubber gloves. Wash hands after use.

FIRST AID: If poisoning occurs, contact a doctor or Poisons Information Centre, Australia on 131126. New Zealand 0800 764 766. If swallowed, **do NOT** induce vomiting. If skin contact occurs, remove contaminated clothing and wash skin thoroughly. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.
